## Our Mission: Offering friendship to those who have lost a spouse

This month's meeting/social gathering is held at the  
**American Legion Post #449, 3245 N 124th St, Brookfield**  
[www.milwowclub.info](http://www.milwowclub.info)

### President's Message

Hello, WOW members and guests. We had another fabulous Social Gathering last month. ALL of our Social Gatherings are quite remarkable! We were entertained by 'The Unrighteous Brothers' and noshed on "tailgate nibble" while socializing. The night just seemed to fly by. Thank you to our loyal members who dressed up in Packers garb. And a Big Thank you to Dave Hoag and the whole Entertainment team. "Oh, what a night!"

I am really thankful to American Legion Post 449 for the use of their facility, however, our Club is growing to the point where we are busting out at the seams! Attendance at the monthly social gatherings have been consistently above 100. We had a total of 108 attending in August (98 members and 10 guests). Our website and word-of-mouth have been instrumental for the increase in membership. Our goal is to have fun of course, but it's more about our mission of offering friendship after losing a spouse.

That being said, the Location Committee has found a great venue for us going forward. Beginning in December we will be meeting at VFW Post 5716, located at 17980 W Beloit Rd in New Berlin. The venue there is larger than what we have

now. This will be a very beneficial move for the Club. We are very pleased and we know that you will be too. Please refer to page 7 of this newsletter for the dates and times of the monthly gatherings starting in December.

Throughout this newsletter you will notice a few photographs of members at various WOW events. Mary Piekarski and Bob Hayd are working together to honor members through photographs, so please take lots of pictures at events you attend and send them to the email address printed in red, located on page 2. Who knows, maybe your picture will show up in the next newsletter!

In closing, I just want to extend another really big 'thank you' to our Hosts and Hostesses for taking the time to hold all the fun WOW events. Let me know if you'd like to put together a new activity or be a Host or Hostess in the future. We are all about fun, fun, fun!

Enjoy the rest of the summer weather. School is around the corner: Keep a lookout for students who are walking or riding their bikes on the street. Stay safe, until next time.

*~Diana Yegge*

Bob has been a member of WOW since Jan '22 after having been a widower for 12 years. He said he was urged to join by Joanne Stabenfeldt, who attended his church with her late husband, Chuck. She also mentioned that Harlan Mueller, who Bob worked with for many years was active in WOW. Bob retired 15 years ago as a civil/environmental engineer, working for a Water Treatment Equipment firm, a Consulting Engineering firm, and various Solid Waste Disposal companies for a total of over 50 years. When he's not volunteering for his church or for WOW, he likes to travel with the Road Scholars, read history books, "chase" lighthouses, bike ride, tend to his home & yard and enjoy family time.
